

ANNUAL GENERAL MEETING 2023

Saturday, 2nd December at 2.30 p.m.

Cobham Village Hall,
Lushington Drive,
Cobham,
Surrey,
KT11 2LU

We will be in the Taylor Hall on the ground floor.

<https://www.cobhamvillagehall.com/>

Coming from the direction of the A3, turn left onto Oakdene Road, immediately before Waitrose, then left again onto Lushington Drive. There is a **car park** at the hall, but it may fill up. If the Village Hall car park is full, there is time-limited parking at Waitrose, or slightly further away, the pay and display Holly Hedge car park, Downside Bridge Rd, Cobham KT11 3DQ

Dr Derek Mitchell will speak on the subject of:

Trees and hives compared - unexpected results for Bee keepers.

Summary: In researching the differences between trees and hives, using computational fluid dynamics, a tool more commonly used in Aerospace and F1, other things kept surfacing, things that are important for bee keepers.

A buffet tea will be provided.

Honey Tasting Competition

As an added interest, please bring a sample of honey to represent your division, for a blind tasting. This can be from a divisional apiary, or any apiary owned by a member of the division. It should be about an inch of honey in an unmarked, 454g standard honey jar.

We look forward to seeing you there!
