See you there!

Our guest speaker is Hannah Rhodes Founder of Hiver Beers

Doors Open 1:30pm for 2pm prompt start.

Hannah will share her experiences in establishing and growing the business from start up to present day and her plans for the future development of the company and its products. She will also provide some samples of her products for attendees to try !

Hiver began in 2013 after our Founder Hannah, went along to a honey tasting in Bermondsey. After asking if she could help out, she found herself bizarrely on the roof of the Tate Britain, helping to inspect a beehive. With a frame of bees in hand and a view over London to remember, this was the moment she thought 'I'd really love to do this again!'.

She started researching all things bees and beekeeping and, as she already worked in the brewing industry, she started tasting some honey beers too. And so the idea for Hiver came about!

Directions

Epsom train station is a 20 minute walk from Stamford Green School. There are also taxis available outside the station. There will be plenty of parking spaces at the school.

Buffet tea will be provided! We look forward to seeing you.
